School Is Back

We are delighted to see Mayfield students back at school. It would be great to have everyone back as soon as possible.

The wellbeing of children and staff is very important to us. Therefore, to begin with, the following guidelines will be in place at Mayfield School:

- The children can arrive at school from 8.30am onwards.
- In the first week, classes and groups may be reorganised for working in different learning areas.
- Parents/visitors – visit the school only if it is really necessary.
- Parents/Caregivers who come to collect their children at the end of the day can do so from outside the school gates (please ensure that your children know which gate).
- Children need to bring their own water bottle.
- Children must stay at home if they are sick.

Parents and caregivers, please let the school know if your child is going to be absent and why they are absent. There are various options for getting in touch with the school:

- Phone (09) 274 9374
- Text
- Skool Loop App (Absentee)
- Class Dojo

Children do not need to wear a mask but will be supported if they choose to wear one.

It has been a very challenging year for everyone. Thank you parents/whanau for the support you have given to your children and to the school. Our aim is to refocus on learning, achievement and progress. Let us support the children to enjoy success.

You can find more information on the Government's website: [covid19.govt.nz](https://www.covid19.govt.nz)

Stay well, stay safe.
