

Message to Parents/whanau

16 August 2020

Thank you parents/whanau for your quick response to the second lockdown. It is encouraging to note the care and responsibility shown by all at this time when daily life is different for everyone.

From the last lockdown, it was clear that being away from school really affects students' progress and achievement in their learning. Students who stayed in touch with their teacher and participated in online learning and used the hardcopy tasks found it easier to continue with their learning when they returned to school.

Our goal is to ensure that the students are given good opportunities to use their learning time for schoolwork.

Mayfield teachers have prepared and uploaded online learning tasks for their class students.

Online Learning

- Class Dojo or
- Google Classroom

Hardpacks with new tasks will be available on:

These will be available from 9.00am to 11.30am

When picking up hardpacks

When picking up hardpacks, everyone:
