

9 November 2020

Dear Parents / Caregivers

Practice Lock Down on Wednesday 11 November

In 2014 Mayfield Primary School engaged the services of an independent company, Harrison Tew^o, who specialise in emergency management planning for schools. The procedures developed by Harrison Tew allow us to respond safely and quickly to a range of circumstances.

As a component of the implementation of the emergency procedures into our school, training is conducted with senior leadership and our staff. The students will also receive training from Harrison Tew which is directed at their respective age groups. The training consists of a low key but detailed approach to potential threats and has been successfully implemented in hundreds of schools throughout New Zealand.

After the training we will be conducting a lock down exercise under the guidance and support of Harrison Tew^o. The exercise will be as real-life as possible. The information distributed will emphasise that this is an exercise/practice.

Prior to this occurring, may I please remind all parents and caregivers to ensure your contact details (mobile phone numbers and email addresses) are current as this will be our communication with you should an emergency occur at the school.

In a genuine incident, should you hear of a lock down or evacuation at the school, may I please ask that you do not attend the school or phone, as we will not be able to respond. Your presence at or contact with the school will make it more difficult for us to manage the situation and could potentially place your children and yourselves at risk.

We thank you for your support.

Kind regards

Dubs Rai

Principal

Mayfield Primary School
