

Mayfield School will be working with the Education Review Office (ERO) from May to the end of July 2022. Carol Stoney is the Evaluative Partner (review officer) who will collaborate and work alongside the staff and students at the school. Our warm welcome to Carol.

ERO has shifted to a more developmental approach to evaluation that supports each school's improvement over time. Key features of the new approach, Te Ara Huarau, are that ERO will:

- work with the school in an ongoing way rather than as a one-off event
- connect with Mayfield School's strategic planning and reporting cycle as part of their improvement journey
- work in partnership with the school, collaborating in support of equitable and excellent outcomes for all learners

As a result, Mayfield School will:

- have a dedicated ERO Evaluation Partner who works alongside the school
- have a different experience depending on needs, strengths, and their school's specific evaluation focus
- be on a three-year evaluation cycle

What will public reporting on ERO's website look like?

As schools' transition into the approach, ERO will work with Mayfield to publish a one-off Profile Report. This will focus on the strategic goals schools have in place to improve learner outcomes and what the school is seeking to achieve through the evaluation.

Education Review Office (continued)

Within a three year cycle, Mayfield, like all other schools, will then have a Te Ara Huarau/School Evaluation Report. This report includes information about the school's improvement journey, what the school has achieved for learners and their future priorities.

All schools will receive a Board Assurance with Regulatory and Legislative Requirements Report about their board's attestation to meeting those requirements Other reporting Progress Reports - These reports are not published on ERO's website. Progress reports will provide specific information for specific audiences such as the Board of Trustees, the community or the Ministry of Education.

More information is available on ERO's website

	Marissa Ioane	her courage in speaking in front of others

Kia ora, Kia orana, Talofa lava, Malo e lelei, Fakalofa lahi Atu, Bula Vinaka, Namaste, Ni Hao, As salaam alaikum, Greetings to all.

Pink Shirt Day

Mayfield is a bully-free school. On Friday 20 May, we joined people around Aotearoa in marking Pink Shirt Day to stand against bullying. There are many different definitions of bullying but almost all of them include three distinct elements:

- bullying is deliberately harmful aggressive behaviour
- bullying is behaviour that is repeated over time
- bullying involves a power imbalance between those who bully and those being bullied.

At Mayfield School we promote Positive Behaviour for Learning (PB4L) highlighting our School Values (Relationships, Resilience, Responsibility and Respect).
