

## 27 October 2022

*Kia ora, Kia orana, Talofa lava, Malo e lelei, Fakalofa lahi Atu, Bula Vinaka, Namaste, Ni Hao, As salaam alaikum, Greetings to all.*

The improving weather has allowed us to make a very positive start to Term 4. Although most children are back, we would like to encourage everyone to be at school

regularly. We still have several weeks of learning for progress and achievement for 2022.

How fantastic it has been to see children participate in a succession of Language Week celebrations. The new Term started with Niuean Language Week and currently the children are involved in the Tokelauan Language Week.

The Niuean theme was, "*Fakatūleva e Vagahau Niue mo e Tau Aga Fakamotu ma e Tau Atuhau, which means - Sustain Niue Language and Culture for Future Generations* and the Tokelauan focus was, "*Halahala ki vavau, kae ke mau ki pale o Tokelau*" which means "*To plan for the future is to understand the past.*" It has been most heartening to see the students so proud of their culture and their language. The display of inclusiveness, respect and diversity in participation and presentation has been most rewarding. Well done Mayfield students, staff and community.
