### Successful Parent/ Teacher Conferences

The two days of Parent/Teacher Conferences proved that parents/family/whanau and the staff of Mayfield School are committed to supporting their children/students, success in their learning. Thank you everyone for braving the weather and engaging in conversations to celebrate the positives and to plan for even greater success in the remaining two Terms.

### Thank you

Mayfield was provided with free sausages for the children. Thank you to Lima Daniels for donating the sausages. Everyone thought they were delicious.

### Beautiful Mayfield

Many visitors have noticed and commented about Mayfield's clean and tidy look. We welcome these comments because we aim to help the students develop responsibility and respect for their environment. Right from the time they start at Mayfield, children are taught about good health and encouraged to play their part in keeping the school beautiful. We would like to acknowledge and thank Mr. Hackett and his team of Recycling Monitors who are experts in managing the school recycling. They do an excellent job – every school day.

### Daily Freight – Thank you

Over the years, Daily Freight has donated thousands of books to Mayfield School. Children are fortunate to choose and own these books. Some families may even have their own home library from books donated by this generous company.

Three cheers to Daily Freight.

4 July 2018

### Attendance

I would like to congratulate the 25 students who have attended school every day this Term. However, there are a number of students whose school attendance is very concerning. Parents of those students will be receiving a letter informing them about the low attendance. Please take note and help improve this. Every day of learning is vital for the students.

### Education Outside the Classroom (EOTC)

All Mayfield children have enjoyed their experience of visiting places and learning new things in new environments. Stardome at the Auckland Observatory in Cornwall Park has been a great place of learning for the students.

Thank you parents/whanau for your wonderful support and for your patience when the buses have returned late on some days.

We look forward to providing the students with more such opportunities in Terms 3 and 4.

**School closes at 2.00pm on Friday 6 July**

Please make arrangements at home for the early finish.

**Happy Family Time**

## NEWSLETTER

4 July 2018

We wish all our students and families a safe and happy holiday.

A sore throat can lead to rheumatic fever if it's left untreated. Rheumatic fever is very serious and can cause heart damage.

Every time your child has a sore throat it could be serious. Don't ignore, take them to a doctor or nurse straight away to get it checked. Call **Healthline** on **0800 611 116** to find out more.
