

Teamwork, Success and Fun

We are proud of our Athletics Team and how they performed at the Otara Cluster Athletics Competition. They gave their best and managed to get to the top five teams in the competition. Our sincere thanks to Mrs Finau for selecting and coaching the Mayfield team. We appreciated her expertise in athletics and sports in general. We also thank Mr Singh for being one of the organisers of the event across the whole cluster. It is a demanding task but it was done with great efficiency.

Tzu Chi Foundation Scholarships 2024

Congratulations to Micah, Salvador, Elohim, Titan, Hosanna, Liverionsol, Haiheme, Tupu and Cain on being selected for the Tzu Chi Foundation Scholarships. We wish you all the very best for 2024. We are also grateful to the Tzu Chi Foundation for their on-going support towards education of young people. The scholarships scheme is a very worthy cause.

Mayfield's Got Talent

Mayfield children certainly demonstrated that they are wonderfully talented.

All the performers did themselves proud and entertained the audiences.

Well done to all the stars.

Winners

You had to be there to experience the fun and excitement of the day. The competitors came to give it their best and the supporters to use their voices in chants and songs.

The amazing weather played its part to make it a day to remember for many years to come.

A huge THANK YOU to everyone and in particular, to Mrs Finau, Mrs Hall, Mr Singh and Ms Ikiua for

organising such a Fantastic Fun Day.

Congratulations **Teuila House** for scoring the highest points to become the winners for 2023.

Limousine Learning

A chauffeur driven limousine learning trip a gift from Ted Manson Foundation was on offer for sixteen Mayfield students. As you can understand, the students were over the moon to be selected for this special education outside the classroom. Thank you, Mr Ted Manson for your generosity and Mark (chauffeur) for your kindness.
