Message from Mrs Naidoo

Dear Families/Whanau

I am stepping down as Deputy Principal of Mayfield this term. It is time to hand over the role which I have enjoyed for 15 years. My new role will be supporting students in Literacy across the school. I will still be in contact with the families of the students I will be working with. I want to thank you for the support given to me and the school over the years.

All the very best

Mrs Naidoo.

Room 12 Teacher

While Ms Joseph is in her role as Acting DP, whaea Rachel will be the class teacher for Room 12. The children are familiar working with whaea Rachel and will be able to continue with their learning without much disruption.

End of Term 1

The first Term seems to have gone quickly.

- **Day/date:** Friday 12 April
- **Time: 2.00pm** (Students should have gone home or be picked up at 2.00pm by family members. Children get very anxious when they have to wait to be picked up.)

Beginning of Term 2

Term 2 starts on Monday 29 April 2024.

Congratulations

Last week was an exciting one for Mayfield students who were involved in a variety of activities. One of the ongoing projects has been the creation of a new playground for the senior students. **We are excited to inform you that the playground has been completed.** More on this later but here are some photos of the stages of construction.
