

Health Information

MMR vaccine

The MMR vaccine protects against 3 viral infections — measles, mumps and rubella.

Measles

Measles is one of the most dangerous and contagious diseases. If you are not vaccinated and come into contact with someone who has it, you are very likely to catch it and pass it on to others.

Measles symptoms

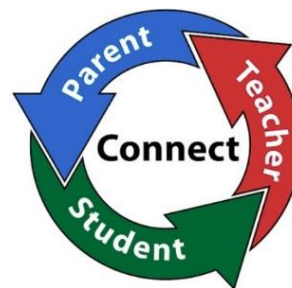

Measles can cause a rash, flu-like symptoms, or more serious problems like brain swelling, chest infections, or death.

Find out more about the symptoms, spread and treatment.

This free App helps parents/whanau to stay informed and to communicate with the school. Yes, it is **free** so we encourage you to download the App on your phone and sign up to Mayfield Primary School, Auckland.

Parent/ Teacher Conferences

Our mid-year conferences are scheduled for

- **Tuesday 25 June &**
- **Wednesday 26 June**

This is an ideal opportunity to discuss student progress for the first half of the year and the next steps for learning.

Teachers have completed assessments and have written a mid-year report as well. Your child has been given information to take home and for you to choose a time that is convenient to attend.

Next week, students will bring home a slip with the confirmed time given for the conference with the class teacher. We try our best to accommodate parents' requested times, however, we must manage this to ensure there are no double bookings. Please contact the office (09 2749374) if you cannot make the time or are unable to attend.

13 June 2024

Kia ora, Kia orana, Talofa lava, Malo e lelei, Fakalofa lahi Atu, Bula Vinaka, Namaste, Ni Hao, As salaam alaikum, Greetings to all.

It's great to see the student numbers increasing at Mayfield School. A warm welcome to all the new students who have joined us. Nau mai, haere mai. We are confident that the children will enjoy being here. Attendance is an ongoing topic of conversation, and we must continue to focus on it. There is a strong link between good attendance and success at school. Every parent wants their child to be successful and happy at school.

The school lunches at Mayfield School have become an important part of promoting healthy eating. I want to express my gratitude to Mrs Leala for coordinating the lunch supply, and I also want to thank Mrs Atuaia for organising breakfast. Additionally, I would like to recognise the fantastic work of Maria Heta and Gaylene Taturangi in their roles as organisers for healthy school lunches through Ka Ora, Ka Ako.
