Diwali

Diwali, the Festival of Lights, was celebrated with great enthusiasm. Songs, dances and an array of colourful costumes filled the special programme.

The display in the school library and studio was stunning. Thank you, Mrs. Sudhakar and team, for a memorable Diwali celebration.

Fun Day 2024

A great day.
Nervousness
Laughter
Challenge
Celebration

Thank you Mrs Hall, Mrs Finau, Mr Singh, Mr Faatamalii & staff.

Kia ora, Kia orana, Talofa lava, Malo e lelei, Fakalofa lahi Atu, Bula Vinaka, Namaste, Ni Hao, As salaam alaikum, Greetings to all.

Term 4 has brought many events that required parent and whānau participation, and it has been encouraging to see family members willing to lend a helping hand. This involvement has been particularly evident during Niuean Language Week, Diwali (the Festival of Lights), and during the Education Outside the Classroom (EOTC) trips to AUT and the Chelsea Sugar Factory. The children respond positively when their parents and family members join them in their learning experiences. Thank you for your continued support. There are additional events and opportunities this term for schools and families to engage in school life.

- Otago Cluster Athletics Competition – 28 November
- Mayfield's Got Talent – (to be confirmed)
- Prize Giving – Thursday 12 December
- Year 6 Graduation – Friday 13 December

Recently, we have been training for emergencies such as knowing what actions to take during school lockdowns and earthquakes.

Fortunately, such events do not occur very often, but it is always helpful to know what actions to take when they happen.
