Welcome to term 2. Another exciting term ahead of us.

We have our 3 Way Conferences are coming up later in the term where your child's progress report will be shared with you. Keep these dates free and ensure to book your times with your child's class teacher.

Our teams are planning trips and learning activities outside the classrooms to enrich learning experiences for our students and we applaud you for ensuring your child attends school regularly.

Our term 1 'Attendance Matters' report has some interesting statistics. Regular attendance to school makes a huge difference to your child's learning.

As you know your engagement with us is really important to us. We are wanting know if the 'Walking School Bus' is something you would like to see happening again and if you'd use it. Please fill in the return slip on the back of this newsletter and send it to school with your child.
