PRIMARY SCHOOL

14 May 2025

Dear Mayfield Whanau and Tamariki,

Kia Ora and warm Pacific greetings,

We are thrilled to share some exciting news with you all! The Board of Mayfield School has completed the appointment process, and we are delighted to announce that **Meritiana MacShane** has been appointed as our new school **Principal**.

Meritiana brings with her **18 years** of teaching experience and a deep passion for learning and leading. For the past 10 years, she has been the **Deputy Principal at Otahuhu Primary School**, where she made a huge impact on her students and staff. We know she will bring a wealth of knowledge, care, and expertise to Mayfield School. We feel truly blessed and excited to have her joining our school whanau.

We also want to thank everyone who supported us throughout the appointment process. The Board is confident that Meritiana will help guide our Tamariki to continue to learn, grow, and shine.

We will be officially welcoming Meritiana MacShane to Mayfield in **Term 3**. We will be holding a special **Powhiri** to welcome her into our school and you are all most welcome to join us. A **confirmation date** will be sent out to our communication platforms through – **email, Skool loop and the Mayfield School website**.

Nga mihi nui
