Talofa Lava!

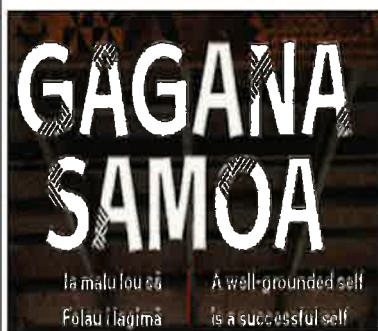

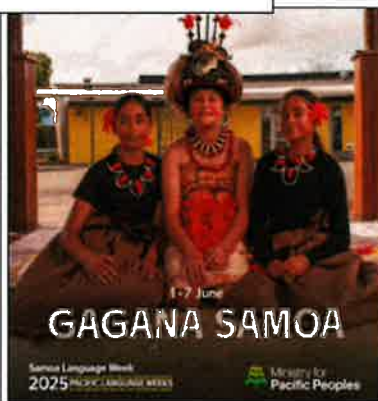

I extend warm greetings to you all and welcome
you to our latest Newsletter.

This week is 'Gagana Samoa' Samoan Language
Week. This year's theme is 'la malu mou sã. Folau
i lagimã. A well grounded self is a successful self'.
We look forward to celebrating and embracing the
this year's theme into our school to enrich our
learning experiences and grow our resilience.

3 Way Conferences are coming up and we look
forward to seeing you all there. I want to thank our
whānau who have returned their forms to school
so far. Please contact your child's teacher to book
in a time if you haven't already done so.

BestStart Johnstone Road visited our Year 1
classes this week and Mayfield Kindergarten
spend time in our school library every Monday.
Starting school for the first time can be challenging
and so having our 4 year olds visit to be
introduced to 'Big School' will ensure a smooth
transition. We look forward to welcoming these
precious taonga to Mayfield when they turn five.

MPS Attendance

Our aim is to have 90% attendance each day and week. In Week 5, of term 2 our whole school weekly attendance rate was...

75%-82%

The winter season is having an impact. Let's continue to work to raise this percentage up to ensure your tamaiti (children) maximise their learning opportunities. Things you can do to improve attendance, get in touch with your trusted neighbors an carpool, keeping warm we have a limited number of second hand jumpers and jackets, call to ask if you need, first in first serve and let us know if your contact details have changed
Congratulations to Room 1 for having 100% on Monday and Thursday!

Our students and young children's safety in and around vehicles is extremely important to us. We are noticing a number or students being picked up in or driven around in vehicles, not safely secured in seat belts or car seats. View the link below to Auckland Transport's Website for advice, resources and safety tips.

I want to extend a huge thank you to Rohail Azeem and Good Community Trust for donating additional food to our Breakfast Club. Our students are going to love the variety in their breakfast meals that is nutritious and filling to sustain their day of learning.
