Hearing and Vision Testing by Painga Project

Mayfield School and Painga Project are working together to offer free hearing and vision screening for all tamariki. Your child will have their vision and hearing checked by Painga Project during school hours, unless you let the school know that you don't want your child to have their hearing and vision checked.

If your child requires further vision and hearing support, we will let you know what is involved. Then with your written permission this can also be completed within school hours at no cost to you.

Painga Project will continue to follow up throughout your child's time at school to ensure that they have the most up to date and correct free vision and hearing support.

Please inform the school if you choose to opt out of this program as soon as possible.

Nga mihi

Painga Project Team

DON'T FORGET

**Parent/Caregiver Talanoa
today and tomorrow.**

**School will finish at 1:00pm
Wednesday
29th July 2026.**
