

Dear Parents / Whanau

We are very fortunate to have 8 free swimming lessons funded by the 'Find Your Field of Dreams Foundation.

Rooms **9, 10, 11, 12, 13, 14, 15, and 16** will participate in the swimming lessons at the Otara Swimming Pools. The swimming lessons will take place on Thursday, starting 30/07/2026, and the last lesson will be 17/09/2026.

All students are expected to participate in the swimming lessons, as this is part of the school's learning programme. Learning to swim will give your child more confidence in water and is an important life skill.
