2026 Parent / Caregiver Survey - Mayfield Primary School

Dear parents/caregivers/whānau,

Every three years we will reach out to our school community to gain an understanding about what is important to better plan for our school into 2027 and beyond. We would like to know your thoughts in these areas: Strengths, Opportunities, Aspirations and Results.

This survey is also being shared with our children, staff and the school board to get everyone's opinion and thoughts so we can make plans moving forward for the best outcomes for our children. Thank you for your continued support and contribution
